

**PRETREATMENT VIOLATION NOTIFICATION
METROPOLITAN ST. LOUIS SEWER DISTRICT**

The Metropolitan St. Louis Sewer District (MSD), having a federally approved pretreatment program for regulating industrial wastes, is the Control Authority in the St. Louis area for enforcement of the Federal Categorical Pretreatment Standards. In accordance with the General Pretreatment Regulations [40 CFR 403.8(f)(2)(viii)], we are hereby providing the public with written notice of those industrial users which at any time during the period from July 1, 2006 through June 30, 2007 were in significant noncompliance with applicable federal standards or MSD Ordinance No. 8472 requirements.
